Pine Bluff, AR 71601

Dear Mr. Shook:

As per your request to Mike Bates, ADPC&E, I am enclosing copies of the credentials of those Ecology and Environment personnel who will be participating in the hazardous waste site inspection at the Pine Bluff Arsenal during the week of June 15, 1981.

As part of our inspection procedure, our contract personnel routinely take photographs of the sites they inspect. I would appreciate your providing me with your policy of taking cameras and photographs on the site.

Your cooperation in assisting us in coordinating this inspection effort is greatly appreciated and if you should have any questions concerning this matter please call me at FTS-729-2724 or (214) 767-2724.

Sincerely,
